HOTEL HIGHLIGHT

MALDIVES

JA Manafaru stands as a testament to understated elegance, with 84 distinctive villas and residences that punctuate the cobalt blue Indian Ocean. Wooden walkways, sapphire shores and pearlescent beaches are the essential ingredients needed for a seriously serene and private honeymoon.

Your adventure begins with a seaplane ride, soaring above the shimmering sea and offering breath-taking aerial views as you approach this remarkable resort. Each accommodation at JA Manafaru is a masterpiece of design and comfort, meticulously crafted to provide the perfect backdrop for your honeymoon escapade. Whether you opt for a spacious beach villa or an over-water sanctuary, each abode invites you to unwind and soak in the beauty of your surroundings. With minimalist interiors and panoramic views, every moment is an opportunity to connect with nature and each other. Floor-to-ceiling windows flood the interiors with natural light, and the plush king-sized beds adorned with the finest linens promise nights of restful slumber. For those craving ultimate luxury, the palatial two and three-bedroom residences offer a sanctuary of space and seclusion. With their own private pools and gardens, these opulent retreats are ideas for honeymooners looking to celebrate their love in grand style.

JA Manafaru is a destination of experiences waiting to be tried and tested by yours truly. While remoteness and exclusivity are undeniable strengths of the resort, you'll find some of the top Maldivian diving sites within Dhoni boat range, so you can dive into the wonders of the Indian Ocean's marine life with a PADI-certified guide to truly appreciate the reefs. Or channel your Robinson Crusoe spirit for a day as you escape to a deserted island for a private breakfast, picnic lunch or sunset cruise.

Though we can't deny the magic of these castaway experiences, there's one that stands out above the rest. For epicurean

enthusiasts, venture into 'The Cellar', a clandestine sanctuary nestled beneath the earth, housing some of the finest wines in the world under lock and key and ideal for your very own 'by appointment only' dining experience. Don't miss the rare chance to have Executive Chef tailor a menu to your taste, whilst sipping on coveted labels like Rothschild and Margaux.

Adding to its allure in 2024, JA Manafaru launched highly sought-after wellness retreat programs aimed at detoxifying the body, calming the mind, and restoring inner equilibrium. Set amongst the famed Maldivian foliage, guests are guided by experts on yoga, meditations and Ayurvedic practices. But this isn't your run-of-the-mill spa experience; it's a comprehensive journey into holistic wellness. The resort offers advanced services like Epi Genetic Testing and Electroacupuncture, along with hands-on workshops catering to various dietary preferences such as Keto, Paleo, or low-carb lifestyles.

"JA Manafaru gives a whole new meaning to Love Island, where castaway couples escape to this luxurious Maldivian marvel to bring their honeymoon dreams to life."
